Comfortable Day & Night

Spend your free time outdoors

The landscape was carefully planned to create areas that you would enjoy day and night, with selected plants, sitting arrangements and ambient lighting. We have envisioned an outdoor area for the evening kids' cinema so that your children can enjoy their evenings while you relax in a well-planned and pleasantly lit landscape.

Indoor & Outdoor Living

Immediate sense of belonging

The indoor and outdoor spaces harmoniously transform into one another, with all functions and amenities allocated in the most comfortable manner. **The Orchard Place** is set in open, fluid spaces, that lift the spirit and create an immediate sense of belonging.

Step into the Public Spaces of

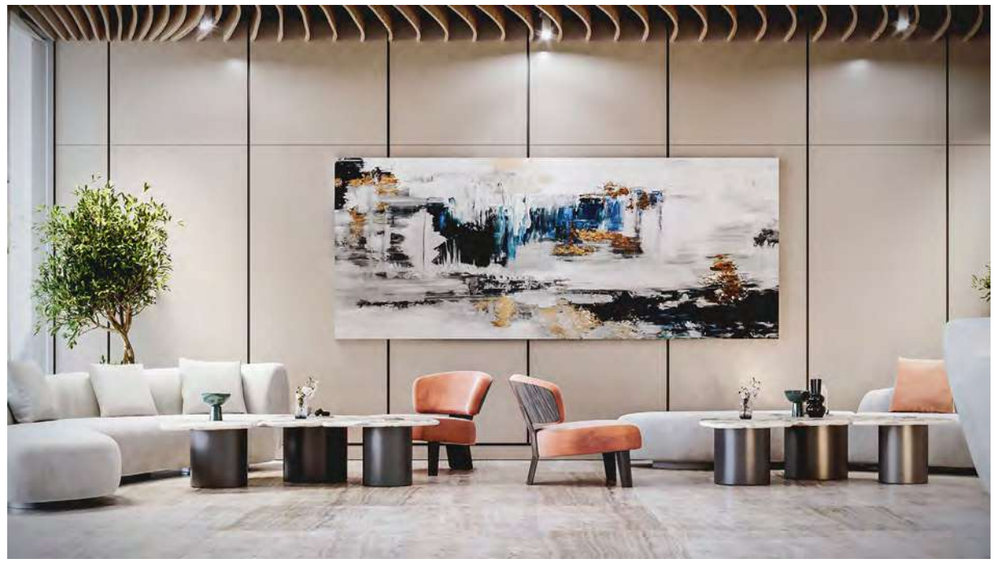

THE **ORCHARD** PLACE

The entire living experience was carefully shaped from the reception space to public areas and apartments, ensuring that the places we create has enduring value and a positive impact on you and your beloved ones. Wherever you are sitting in the lobby, walking towards the pool or on the promenade outside, it should always feel like home.

Lasting first impression

Reception & Lobby

Exquisite materials, greenery and original forms make the reception area appealing and memorable. The green marble reception along with wood paneling and bespoke ceiling with integrated lighting features ensures a lasting first impression from the very entry.

Experience Through Design

Bridging comfort & aesthetics

Experience the essence of comfortable living through design elements. The European-inspired lobby with designer furniture and accessories is creating a delightful space for you and your guests.

Supporting your healthy lifestyle

Gym with terrace for Yoga

The spacious gym is carefully designed to fully support your healthy lifestyle. The gym offers a well-equipped area with needed amenities and a visually appealing atmosphere to make time spent at the gym even more enjoyable and desirable. Along with the best equipment you will find a big terrace for yoga and stretching, changing rooms with saunas, and steam rooms.

KIDS CLUB

The best place for fun

The two-level kids club for the most precious visitors is carefully designed to create an atmosphere they can enjoy throughout the day, with all types of activities children of different ages enjoy! The big, fully equipped space with an outdoor playground and kids' swimming pool is located in a way that parents can enjoy their leisure time at the swimming pool while watching their kids.

Tower A - Level 23 / Tower B - Level 30

The Penthouse Duplex apartment allocated on the final floors offers mesmerizing views and an ultimate luxury lifestyle to the owners. The first floor of the two-level apartment offers a spacious, double-height ceiling living room, an open kitchen with an island and a separate dining area, laundry, a maid's room and a twin bedroom with a wide wardrobe, dresser, study table and spacious bathroom with bathtub, double basins and bidet. The living room leads to the oversized terrace with a high-level pool. The terrace with the pool, plentiful space for a lounge, dining area for 6person and greenery is designed to deliver maximum comfort to owners. The overall design is set to create the ultimate essence of modern luxury. The Kitchen serving as a design element itself is solved in a semi-matt finish with glass vitrines with integrated LED lighting.

An isolated and comfortable sitting arrangement near TV unit along with an open kitchen and separate dining zone is carefully crafted to deliver comfort and convenience. The TV wall and decorative shelving bridge functionality with aesthetics. In the living room, an oversized elegant chandelier complements the design. On the second floor are allocated study room/cabinet, ensuite bedroom and a twin bedroom with wide closets and study areas; bathrooms that offer a bathtub, double vanities and bidet. The vestibule with a comfortable sitting arrangement overlooks the living room space.

All the bathrooms are in a serene color pallet with high-quality materials and Italian fixtures.

The open layout and floor-to-ceiling windows fill the apartment with light, making it bright and airy. A serene color scheme creates a smoothing atmosphere. Quality materials and appliances are used in all areas. In the apartment, high-quality laminated flooring, a wooden veneered closet, a semi-matt colored kitchen with quality in-built appliances, artificial stone and ceramic tiling, creating a harmonious and outstanding space for the owner's comfort.
